

Entrepreneurial Assessment

Entrepreneurs use their talents in many ways. Successful entrepreneurs share common traits. This self-survey can help you decide if self-employment is a good match for you.

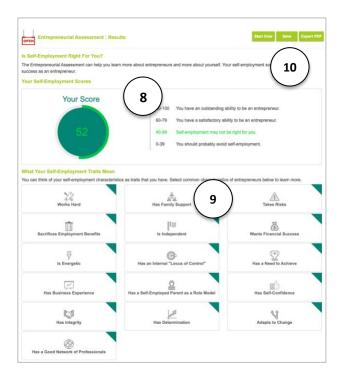

- 1. Access Entrepreneurial Assessment through the **Self-Survey** tab.
- 2. Select Entrepreneurial Assessment.
- 3. Select **Start** to begin the self-survey.
- 4. Select **Restore** to see results from a previously taken self-survey.
- 5. Use the facial expressions to rate how much you agree or disagree with the statement.
- 6. **Start Over** or **Save** your self-survey.
- 7. Use the **back button** to return to a previous question.

Entrepreneurial Assessment

NOTE: This self-survey is not a test and does not predict business success. You may score low on the self-survey and still succeed as an entrepreneur.

- 8. Review your score and ranking for self-employment.
- Learn more about common characteristics for entrepreneurs by selecting to read a definition.
- 10. **Start Over**, **Save** your self-survey results with a note to your dashboard, or **Export PDF** for a report of your results.
