

USING THE ILLINOIS WORKNET POWER POINT

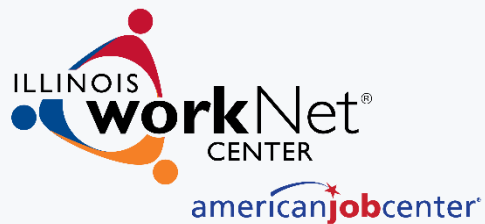

This power point template contains 27 different slides to select from using the **New Slides** button located in the **Home** Tab.

When creating a power point you can modify the existing slides below with your content or delete out all the slides below and start from scratch using the New Slides button. The slides below contains icons, shapes, logos, and disclaimers that can be used in the power point.

- Shapes & Logo – Side 2 & various other slides
- Icons 54-58
- Disclaimer – 60

You will notice some slides have content that is not editable, such as the Careers, Wages & Trends in the bottom left corner of this slide. All content can be edited. To edit the content select **View** from the header bar, then select **Slide Master**. From here you can edit the content that is not editable when in the normal view.
