

Illinois workNet® is the State’s web portal for workforce development. It provides several tools to help workforce professionals with their customers in their career planning, education and training, and employment resources and tools to help job seekers achieve their career related goals. The online tools and resources available through Illinois workNet are available to all Illinois citizens at no cost. Visit www.illinoisworknet.com/partners today!

Customer Support Center

Allows IwN partner staff to provide guidance to help customers reach their career, training, and employment goals.

Optimal Resume

Provides partners with a view of customer saved items like resumes, cover letters, and practice interview recordings.

Career Plan Builder

Help customers with their career plan by identifying, reviewing, and communicating each step of their process.

Success Story

Submit testimonies to the value of workforce development programs and their positive impact on communities.

Service Finder

Manage and share workforce development services and resources for individuals, employers, and partners.

Assessments

Provides an overview of assessments offered through IwN and data entry for assessments not available through IwN.

Dashboard

Use the dashboard to save bookmarks, access assessments, start your resume, update your account, and much more.

Event Calendar

Workforce related events accessible to Illinois citizens. Those with admin access can view, manage, and remove events.

WIOA ePolicy

Includes policies, procedures, and resources to support the LWIBs with the implementation of service under WIOA.
