

COLLABORATING FOR SUCCESS

- Enhancing Workforce Development and Educational Outcomes
- Presenters: Rupa Sameer (Director for Adult Education and Literacy)
- Mark Mesle (Director for IELCE)

INTRODUCTION TO AEL AND IELCE

Brief overview of
AEL and IELCE
and their targets.

How to address
workforce training,
education and
community needs.

Preparing students to succeed in and out of the classroom

Addressing Barriers and Expanding Opportunities

- Demographics age 16-24 (Rupa)
- Key barriers to student success (low income, transportation, credential attainments, long term unemployment, low income individuals, difference in background)
- Expanding workforce literacy (Industry specific skills, manufacturing, health care, IT, entrepreneurship)

UNDERSTANDING AREA PLANNING COUNCILS

Role of APCs in regional
planning and
coordination.

Importance of APCs in
connecting education and
workforce development
services.

How JTED grantees can
leverage APCs to identify
resources and partners.

BRAIDED FUNDING OPPORTUNITIES:

Explanation of braided funding: combining multiple funding sources(State, Federal and local)

Overview of funding streams available through AEL (e.g AEL and IELCE)

Best practices for JTED grantees to integrate with AEL funding and resources.

Empowering Learners, Strengthening the Community

Q & A
